HENLEY

CHICHESTER

SUFFOLK

It's a four-day event that will include designs for every room of the home
– from complete Kitchens, sofas and dining tables, chairs and thousands of accessories –
all with up to 50% off.

This might come as a bit of a surprise – but a good one, we hope.

We don't believe in inflating our prices to reduce them later; our prices are as fair as possible, absolutely always.

That's why you won't ever see us doing Neptune sales in the traditional way.

But, we have over 1,000 pieces from previous collections in our warehouse that are without a home. Some are there because we ordered a few too many, some are bespoke orders from customers who've had a change of heart, some are ex-display or pieces we've taken on photo shoots, and some are leaving us to make way for newness. So, in order to clear the decks, we've decided to host a one-off warehouse sale (at the showroom, 60 Stevenson Road, Murrayfield, Edinburgh). And we'd love you to come along.

It's a four-day event that will include designs for every room of the home – from complete Kitchens, sofas and dining tables, chairs and thousands of accessories – all with up to 50% off. All the items from dinner plates, tea pots to entire kitchens and everything in between are unrepeatable, these are one off reductions so do come early for the best selection.

We look forward to welcoming you to the showroom so you can enjoy browsing, plus there will be cookery demonstrations over the weekend, the fizz will be free flowing plus cream teas. What's more I have reserved a complimentary goody bag and a £20 gift voucher for you at reception please swing by and they will organise it for you.

Best wishes and kind regards
